Eligibility

So long as you are at least 18 years of age, are not an employee of Citigroup (or its affiliates and subsidiaries), meet Tax Requirements, and are the first titled owner on an Eligible Account on the day your Friend opens a Checking Account, you can participate in this offer (“Referrer”).

- “Tax Requirements”: U.S. persons must furnish or have a valid IRS Form W-9 (Request for Taxpayer Identification Number and Certification) on file. Accounts subject to backup withholding do not qualify for this offer.

Friends are at least 18 years of age and cannot have owned a Checking Account within the last 180 days.

Eligible Accounts are consumer checking and savings accounts. Checking Accounts are consumer checking accounts. The following accounts do not qualify as Eligible Accounts or Checking Accounts:

- Savings Plus and Citi Miles Ahead Savings
- Retirement accounts (IRAs, SEPs, CESAs, money purchase pension plans, and profit-sharing plans)
- Accounts held in Citi Alliance, Citi Private Bank, and International Personal Bank
- Fiduciary, estate and trust accounts do not qualify for this offer, although trust accounts that are a living trust and custodial accounts are eligible.

Here are the required activities to qualify:

If a Friend opens a Checking Account by any other means than those described below, the Referrer will not earn the Referral Bonus.

First: The Referrer must provide their unique referral link or code to the Friend

Second: The Friend must open a new Checking Account.

Between 4/5/23 and 7/23/23 (“Offer Period”), the Friend must open a new Checking Account using the Eligible Referrer’s unique referral link on citi.com or by providing the Referrer’s unique referral code to a Citibank banker at a branch during account opening.

Third: Eligible Referrer bonus level.

The Referrer will receive a Referral Bonus paid at the Level stated in the below chart. Levels are determined by the account type the Referrer owns at the time the Friend opens the new account. Account changes after account opening will not affect the Referral Bonus Level.

Account Type	Levels for Referral Bonuses
Citigold Private Client (CPC)	\$500
Citigold®	\$200
Priority	\$100
Other	\$100

Fourth: The Friend’s Checking Account must be kept open until the Referrer is paid.

The Referrer’s and the Friend’s **Checking Account must both remain open and in good standing from the time the Friend opens their Checking Account until the Referral Bonus is paid to the Referrer.** The Referral Bonus will be paid within 90 days after the Eligible Referee opens their Checking Account.

- A single Friend opening multiple Checking Accounts does not increase the reward for the Referrer. For example, if a Friend opens three new Checking Accounts, the Citigold Referrer will receive a \$200 Referral Bonus.
- **Referrers are limited to twenty (20) Referral Bonuses** within the lifetime of their checking and savings account relationship with Citibank.
- **Referrers cannot refer the same Friend more than once during the lifetime of the Referrer's checking and savings account relationship with Citibank.**
- **Referrers cannot refer themselves, even if they have not owned a Checking Account in the past 180 days.**
- To protect the privacy of our customers, we cannot provide any information about the Friend to the Referrer, including whether the Friend has applied or has met the requirements for the Member-Get-Member Offer.

Important Tax Information: The Referral Bonus will be reported to the IRS as miscellaneous income to the first titled owner on the account, in the year received, as required by applicable law. Offer limited to customers who are either citizens or resident aliens of the United States that furnish or have a valid Form W-9 on file and the account must not be subject to backup withholding.
